Money : 200 in gold.

Equipment : A set of traveling clothes, a traveling robe, boots, belt, bedroll, backpack, a medium-sized to large satchel, two medium-sized sacks, four small sacks, a water skin, a large silver cross, a small mallet, 30 feet of rope, 5 empty vials, small mirror, 40 sheets of parchment, 100 page notebook/diary (parchment), silver point, 1 piece of charcoal, 2 pieces of chalk, two bottles of black ink, one bottle of color ink, six crow quill pens, three 3 hour candles, a tinder box, and foot rations for 3 weeks.

Family : He is the second of twins. His twin sister is an average scholar (women aren't allowed to be Monk Scholars). Due to their studies, the two haven't met face to face for some time.

Disposition : As every Monk Scholar, he shuns violence. For the most part, he will keep quite. He would rather observe and record than lecture those around him. He'll attempt to answer any question asked, but he will not share any of the secrets of the order. His expertise in language, both spoken and written, makes him a valuable asset to any group.
