<u>Equipment</u>: A uniform, set of civilian clothing, work/reinforced boots, a pair of gloves, cape, belt, bedroll, backpack, two small sacks, a water skin, two weeks' worth of food rations, frying pan, and a tinder box.

<u>Family</u>: He had an elder brother named Aldonnis. At the age of 14, he was killed protecting Cypherius from a couple of muggers. He always felt he owed Aldonnis a debt and decided to repay it by fulfilling his brother's dream of joining the military. He feels his motivations are of a personal nature and not likely to discuss it to others. His brother had a tendency to call him Cyph. If someone else calls him this, he'll take offense.

<u>Disposition</u>: He tends to be intellectual, looking at things from a logical point of view. Although he is a soldier, he tries to avoid fights. However, once he is in battle, he relies heavily on his natural ability to fight. His gift for fighting makes him a force to be reckoned with.
